Hey Holly – staying slightly sane and mostly healthy ... hope you are too. Congrats on Standing Rock's progress ... that's a welcome feel good. That Core WQS provisions doc hasn't been updated in a long time, but hope it was helpful. Sure, let's chat: anytime 9-12 or after 1 looks good tomorrow

Subject: Questions about Standing Rock Sioux Tribe's WQS

Hi George I hope all is groovy.

I'm completing my comments on Standing Rock's WQS and I have a couple of questions - mainly about the R8 recommendations for core WQS provisions. If you have a few minutes tomorrow can we chat? If your schedule is current I can send out a meeting invitation.

Thanks - the Wind River letter was very helpful, too.

Talk with you soon,
Holly
